- ▶ Increase team quality, productivity, and performance.
- ▶ Create a team-building recognition system.
- ▶ Reward and recognize for high-performance teams.
- ▶ Develop the six characteristics of leadership in superior work teams.
- ▶ Manage and reduce team personality conflicts.
- ▶ Conduct powerful team meetings.
- ▶ Utilize the coaching process for learning.

## **SEMINAR ATTENDEES SAY IT BEST:**

“There is a wealth of knowledge and talent in staff that gets wasted in traditional management styles.”

– Jona Leppky, Executive Director M.L.S.

“How to deal with negative, ineffective people. Very dynamic. Practical experiences demonstrated as opposed to theory.”

– Shelly Fleck-McCaskill, Site Manager, CRHA, Calgary

“Enhance the culture – facilitate the change, identify what the culture is now and what needs to change. Dynamic, fun, good techniques.”

– Georgann Hancock, Health Service Director, ECRHA
