

Keep Your Health Care Professional Team *For Life*™

MISSION:

Proven Strategies to Build Healthy Work Relationships Among Nurses, Physicians, Pharmacists, and all Health Care Providers!

YOU WILL LEARN HOW TO:

- ▶ Develop a shared team vision that inspires staff ownership to become patient-focused through continuous improvement.
- ▶ Fully leverage the power of Excellence by doing “1,000 Things 1% Better.”
- ▶ Understand the complexities and dynamics of the Canadian Health Care trends and know how to turn them into a positive force for improved productivity.
- ▶ Improve interpersonal communication and unlock the mystery of human motivation by understanding the Four Behavioral Styles.
- ▶ Create high-performance professional departmental teamwork.
- ▶ Implement everything that you’ve learned through a turn-key “D.O. I.T.” Team Building Plan.
- ▶ Overcome a sense of staff betrayal and disillusionment and re-establish trust and commitment.
