Caregiver Heroes Hall of Fame Recognition

2020 will be one of those years that we will remember for the rest of our lives. Some of those memories stem from how your healthcare professionals have demonstrated their strength, determination, and compassion through the way they have cared for your patients and each other during these challenging times.

On June 8, 2021 during our HealthCare Service Excellence Pre-Conference Live Stream Summit, we will be recognizing 1 Caregiver Hero from each organization participating in that event.

Here's where you come in:

- Within your organization:
 - Have your people nominate as many Caregiver Heroes as they like with a short explanation of why they are being nominated
 - Recognize all Caregiver Heroes that are nominated with a special coffee break, dessert reception, or luncheon and Board recognition
 - Have everyone vote on **one** Caregiver Hero from all the nominations
 - Submit that **one** Caregiver Hero to Custom Learning Systems by Friday, May 14, 2021 for additional recognition using the form found at www.customlearning.com/conference
- No later than Friday, May 14, 2021 please provide:
 - Name and title
 - Headshot
 - A 100-200 word description on why they have been selected as the Caregiver Hero
 - Name of the nominator
- On June 8, 2021
 - All Caregiver Heroes that have been submitted to Custom Learning Systems will be recognized during our special HealthCare Service Excellence Pre-Conference Live Stream Summit

BE A **Heroes** Hero

**Who are the Caregiver Heroes that walk our halls every day?
Why not tell the rest of the world about them!**

We are looking for nominations for Caregiver Heroes, such as:

- Someone who has gone out of their way to provide kindness care to a patient
- Someone who makes it their business to be encouraging, uplifting, and supportive to their peers
- Someone who has used their own time and/or resources to make someone else's day a little bit better
- Someone who has made the very best of a challenging situation
- And so much more

These Caregiver Heroes can be from any position within our facility, even volunteers.

As an organization we will vote to select one Caregiver Hero from all the nominations submitted, that we will forward on to the National Caregiver Heroes Hall of Fame for additional recognition during the June 8th HealthCare Service Excellence Pre-Conference Live Stream Summit.

"What's in it for me" you ask? If the person you nominate is chosen as the Caregiver Hero for our facility, you will be entered into a draw to receive a prize from the HealthCare Service Excellence Conference.
